

Mixer Stands - Winch Lift -

OWNERS MANUAL

Warranty

Our products are guaranteed against defective materials and workmanship; we will repair or replace such items as may prove defective at our option. Warranty period is one year on items manufactured by INDCO. On items not manufactured by INDCO, the manufacturers warranty applies. All component parts of our products are covered by this warranty, except for normal wear items such as belts or impellers. We cannot be responsible for damage or abuse to equipment caused by improper installation or operation. Warranties can also be voided by unauthorized disassembly of equipment. For warranty repairs, equipment is returned to INDCO at the customer's expense; we will repair and return to customer at our expense. Under no circumstances will we allow labor charges or other expense to repair defective merchandise. This warranty is exclusive and is in lieu of all other warranties, whether express or implied. INDCO shall not be liable for any other damages, whether consequential, indirect, or incidental, arising from the sale or use of its products.

PSW84-BP Stationary Lift Stand

Features:

- Constructed from heavy gauge plate and square tubing, carbon steel - painted.
- Capacity to hold up to 200 lbs.

Operation:

- Height adjusts using a hand operated winch mounted to the back of up-right tube with cable and pulley assembly. Winch has self-activating brake for safety which will hold the mixer at the desired height when handle is released. Not recommended for hazardous duty locations.

PSW84 Portable Lift Stand - "X" Base -

Features:

- Accommodates containers up to 48" diameter.
- Constructed from heavy gauge plate and square tubing, carbon steel - painted.
- Capacity to hold up to 200 lbs.
- Units supplied with swivel casters, two with brakes.

Operation:

- Height adjusts using a hand operated winch mounted to the back of up-right tube with cable and pulley assembly. Winch has self-activating brake for safety which will hold the mixer at the desired height when handle is released. Not recommended for hazardous duty locations.

Assembly - "X" Base:

1. Slide tube ass'y over "stub".
2. Mount 12" x 12" up-right base onto portable "X" base
